Mysore Chief Commissioner's Office

Official Memorandum

In reply to his Petition dated 2[?] July 1870, Vasoodeva Sastry, Agent of the Sringeri Mutt, is informed that the question of the exemption from the levy of Local Fund Cess of the Mutt Inam holdings has been already clearly decided by the late Commissioner, who ruled (in No. 5241 dated 2nd January 1869 to Superintendent Nagar 118) that such exemption could not be granted in the case of the isolated Inam Villages appertaining to the Mutt, but that in that of the Sringeri Jaghir he accepted the proposal of the authorities of the Mutt to contribute their share in the construction of a line of communication from Sringeri towards the main road, on the condition that the measures projected by them with this object were approved by the Superintendent. A subsequent letter No. 1710 dated 12th March 1869 from the Secretary Public Works Department to Superintendent Nagar directed that a proportionate sum of the Cost of certain roads within the Jaghir should be defrayed by the Mutt in addition to the work previously mentioned.

There can be no change in these orders. If the Mutt complies with the above conditions to the satisfaction of the Superintendent no Local Funds Cess will be levied from the Sringeri Jaghir, instead of that the Cess will be levied from all isolated Inam Villages or minor holdings belonging

to

to the Mutt, as from all other Inams.

2. The Agent's request regarding the felling and sale of Sandal within the limits of the Jageer will be adjusted by the Superintendent with the Conservator of Forests.

3. The Mutt's claim to the escheat of the estates of all of its deceased disciples in the Nundidroog Division who die without heirs or intestate has not been established and is not in the Chief Commissioner's opinion admissible and he is unable to pass the order solicited on this point.
